Mission: 2 Corinthians 5:17 (NLT) This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun! *Giving Foster Teen Boys and At-Risk youth the best of the best, transforming them into strong young men through the love of Jesus Christ. When they come to Garage 5:17, these young men are broken and hurting. They're dressing to put on suits of God's armor to protect themselves from the evil of the world that's attacking them in their circumstances. We shower these young men with the love of Jesus to let them know that people care; that they are not alone; that they are seen; and that they matter.*
